Profile

I am a motivated and detail oriented second year Software Engineering student at the University of Western Ontario. I have a strong foundation in programming (C++, Java, JavaScript) as well as hands-on project management experience. Skilled in team collaboration, problem solving and customer service through past roles as an Assistant Project Manager and a Member Services Attendant. Seeking an opportunity to apply both my technical knowledge and interpersonal skills in a challenging work environment.

Experience

ASSISTANT PROJECT MANAGER | KONSTRUCT21 | APRIL 2024 – AUGUST 2024

- Assisted in the management and ideation of clientele inquiries, with the focus of identifying and implementing innovative solutions to guarantee client satisfaction.
- Gained hands-on contracting experience in coordinating multiple aspects of project management, as well as problem solving skills.

MEMBER SERVICES ATTENDANT | MEADOWBROOK GOLF AND COUNTRY CLUB | APRIL 2023 – AUGUST 2024

- Coordinated with back shop team members and upper management to streamline daily operations and address member issues efficiently.
- Assisted in the setup and smooth execution of tournaments and special events by maintaining a high attention to detail and timelines.

Education

BACHELOR OF APPLIED SCIENCE – SOFTWARE ENGINEERING | SEPT 2023 – PRESENT | WESTERN UNIVERSITY

- Engineering Design Showcase Runner Up – Northern Tornadoes Project | April 2024 |

BILL CROTHERS SECONDARY SCHOOL | AUGUST 2019 – JUNE 2023 | MARKHAM
